

SPINAL-BREAKERS

A DEADLY SITUATION...

Hildroids were created by humans as a worker force. They had no will, no intelligence, and were submissive robots. Then it happened...

Several nuclear explosions around the globe triggered a nuclear war-man's worst nightmare. But nothing compared to the terror of the mutated, now murderous hildroids. In horror and defeat, man fled to the stars.

Now, Captain Waffle must return to Earth and smash the hildroids, before they can complete a diabolical plan to alter history, and destroy humanity.
